BABWORTH ROAD, RETFORD***Babworth Road Secondary School Site Retford, Nottinghamshire***

Sumpter, T Retford : Tony Sumpter Archaeological Consultancy, 2003, 12pp, figs, tabs, refs

Work undertaken by: Tony Sumpter Archaeological Consultancy

An archaeological assessment was carried out on the site as part of an environmental assessment. This identified a 19th century road which crossed the site, with possible medieval origins and to the west, crop marks revealed an extensive Roman rural landscape, which could have extended into the area. Marsden, P & Browning, JLeicester : University of Leicester Archaeological Services, 2003, 20pp, figs, tabs
Work undertaken by: University of Leicester Archaeological Services

An archaeological assessment was carried out on the proposed assessment site. The northern part of the study area contained crop marks of a possible Roman/prehistoric date. Anglo-Saxon remains have been recovered from the area and medieval earthworks were also identified within the study area. A defensive ring of pillboxes were also present. [Au(abr)]

Herring, C Newark : John Samuels Archaeological Consultants, 2003, 19pp, figs, tabs, refs
Work undertaken by: John Samuels Archaeological Consultants

An archaeological assessment was carried out on the proposed development site. No archaeology was known for the site but the potential for prehistoric archaeology was high due to Neolithic and Bronze Age archaeology artefacts recovered in the vicinity. [Au(abr)]
*SMR primary record number:*1013
