COMMERCIAL STREET, DARLINGTON

Commercial street, Archaeological Assessment

Still, D Durham : University of Durham, Archaeological Services, 2003, 22pp, pls, figs, refs

Work undertaken by: University of Durham, Archaeological Services

The assessment identified that the entire site was redeveloped during the 19th century, cleared and levelled in the 20th century, and given over to public car parking. A previous archaeological programme of trial trenching supported this view. More trial trenching was suggested. [Au(adp)]
