*Land Adjacent to North Shoebury Road, Southend-on-Sea, Essex*

Anthony, S Reading : Thames Valley Archaeological Services, 2003, 32pp, figs, tabs, refs

*Work undertaken by:* Thames Valley Archaeological Services

An archaeological assessment was carried out on the proposed development site. The assessment identified cropmarks dating from the prehistoric to medieval periods. Extensive multi period deposits were also identified to the north of the site in an earlier excavation. [Au(abr)]

*Archaeological periods represented:* MD, PR, RO
