OLD HILL SITE, 54 BURHAM LANE

Old Hill Site, 54 Burnham Lane, Slough

Brossler, A Oxford : Oxford Archaeology, 2003, 8pp, figs, tabs, refs

Work undertaken by: Oxford Archaeology

The evaluation revealed a brick-built structure thought to be a late 19th or early 20th century capped well or soakaway. No deposits or structures of any archaeological potential or significance were identified during the evaluation. [Au(abr)]

Archaeological periods represented: PM
