### **A1, DARRINGTON TO DISHFORTH**

*Darrington to Dishforth A1(M) DBFO Project, Ferrybridge-Hook Moor and Wetherby-Walshford.  
Volume 1: Post-excavation Assessment Report*

Clark, P, Hughes, V, Blythe, K & Howard-Davis, C Lancaster : Oxford Archaeology North, 2004,  
238pp, figs, tabs, refs

*Work undertaken by:* Oxford Archaeology North

Many of the initial sample excavations led to further archaeological works including a circa 0.5 ha excavation of a Romano-British enclosure, excavation at an Iron Age settlement site, and further excavation at Castle Hills Scheduled Monument. Other important sites revealed included a series of ring ditches, a square post hole structure, a circular post hole structure, and a beaker burial. [Au(abr)]
