#### **'THRAVES' GRAFFAM**

##### *Geophysics at 'Thraves' Graffham, West Sussex*

Funnell, J Hove : Brighton & Hove Archaeological Society Field Unit, 2003, 6pp, figs

*Work undertaken by:* Brighton and Hove Archaeological Society Field Uni

The survey produced no evidence for walls located in the area considered to be the location of the fourth bay of the house. The resistivity survey of the gardens around the house called Thraves indicated that vestiges of old outbuildings may have been beneath the lawns and flowerbeds. [Au(adp)]

*Archaeological periods represented:* UD
