A1(M) PETERBOROUGH TO BLYTH

A1(M) Peterborough to Blyth Grade Separated Junctions at Gonerby Moor, Colsterworth and Carpenters Lodge, Geophysical surveys

Hale, D Durham : University of Durham, Archaeological Services, 2003, 25pp, figs, refs

Work undertaken by: University of Durham, Archaeological Services

The geophysical survey of three proposed new junctions alongside the A1(M) revealed features of possible and probable archaeological interest. These comprised of ridge and furrow remains, ditches and pits, and the possible course of Ermine Street. [Au(adp)]
