CROSS LEYS QUARRY

Cross Leys Quarry, Wittering, Cambridgeshire

Bartlett, A North Leigh : Bartlett-Clark Consultancy, 2003, 9pp, figs, tabs, refs

Work undertaken by: Bartlett-Clark Consultancy

A magnetic susceptibility and gradiometer survey was carried out in the area of the proposed quarry extension. Features identified included pits and linears. Several areas of high magnetic readings were also identified on the site. These were associated with early medieval metal working that was known to have taken place on the site. [Au(abr)]
