**1 WEMYSS ROAD, BLACKHEATH**

*1 Wemyss Road, Blackheath, London, SE3. London Borough of Lewisham. An Archaeological Impact Assessment*

Bowsher, J London : Museum of London Archaeology Service, 2002, 31pp, pls, figs, refs

*Work undertaken by:* Museum of London Archaeology Service

The results of desk-based assessment demonstrate that the site formed part of an estate dating back to Saxon times and has subsequently been a garden and vineyard. Part of the site was built on in the late 18th century but the rest remained open until the 1880s. Further investigation (e.g. field evaluation) may be necessary. [Au(abr)] *SMR primary record number:* 23/141

*Archaeological periods represented:* EM, IA, PA, PM
