WHITE SWAN PUBLIC HOUSE, BLACKWALL

White Swan Public House, Yabsley Street, Blackwall, London Borough of Tower Hamlets. An Archaeological Desk-Based Assessment

Hardy, L-M Reading : Thames Valley Archaeological Services, 2002, 26pp, figs, tabs, refs

Work undertaken by: Thames Valley Archaeological Services

The assessment identified two areas of potential at the site, that of historical evidence of activity, and also prehistoric deposits below a peat layer. It was thought possible that areas of the medieval village may have escaped truncation by basemementing. Prehistoric deposits, if recovered, would potentially be archaeologically significant.
