COWPEN BEWLEY TO WARDEN LAW

Cowpen Bewley to Warden Law Proposed Gas Pipeline: Archaeological Desk-Based Assessment

Groundwork Archaeology Ltd Digby : Groundwork Archaeology Ltd, 2002, 82pp, figs, tabs, refs

Work undertaken by: Groundwork Archaeology Ltd

Apart from the sites associated with the industrial heritage of the area, the results of this study indicate that the proposed route exhibits a low degree of known archaeological potential. There is a significant chance that additional archaeological remains are present which have yet to be identified. [Au(abr)]
SMR primary record number: 2002/79

Archaeological periods represented: IA, PM, UD
