Exploratory Wellsite, Kirkleatham, Teesside, Archaeological Desk-Top Assessment

Burglass, J Barnard Castle : Northern Archaeological Associates, 2002, 9pp, figs, refs

Work undertaken by: Northern Archaeological Associates

The study identified a total of five archaeological and historic sites within 500m of the proposed site. There were no scheduled monuments or listed buildings. None of the identified sites were identified as being directly affected by the works. [Au(adp)]
