LAND AT BOWLING GREEN ROAD, THATCHAM

An Archaeological Desk-Based Assessment of Land at Bowling Green Road, Thatcham

John Samuels Archaeological Consultants Newark : John Samuels Archaeological Consultants, 2002, 17pp, figs, tabs, refs

Work undertaken by: John Samuels Archaeological Consultants

This assessment was part of a wider survey regarding the development of the area. Some prehistoric evidence, as well as considerable Roman and later features, have been alluded to in various sources; however, earlier archaeological work had revealed no remains. Further work was recommended. [Au(adp)]

LAND AT MANOR PARK, NEWBURY

An Archaeological Desk-Based Assessment of Land at Manor Park, Newbury

Herring, C Newark : John Samuels Archaeological Consultants, 2002, 20pp, figs, tabs, refs

Work undertaken by: John Samuels Archaeological Consultants

Although there was evidence for settlement around the development area, including possibly the deserted medieval settlement of Henwick, the potential for archaeological remains at the site itself was considered low and no further action in favour of preservation was needed. [Au((adp)]
