**BROOKLYN FORD CAR SALES SHOWROOM*****Brooklyn Ford Car Sales Showroom, Bath Road, Worcester***

Sherlock, H : Archenfield Archaeology, 2002, 23pp, figs, tabs

*Work undertaken by:* Archenfield Archaeology

The assessment identified the site as being a marshy area until being developed in the 19th century, after the construction of the canal. Medieval and Roman deposits may survive in the alluvial. [Au(abr)]

1/489 (B.93.H001)

SO 84605420

**CHAPTER MEADOWS*****Archaeological Desk-Based Assessment at Chapter Meadows, Worcester***

Williams, P &amp; Pearson, E Worcester : Worcestershire County Council Archaeological Service, 2002, 30pp, figs, tabs

*Work undertaken by:* Worcestershire County Council Archaeological Service

The desk-based assessment identified that the site had contained meadows mention in a 10th century document. The site has continued as a meadow since this time. The management strategies will not impact any archaeology. [Au(abr)]

**Wychavon**
