CASTLE MILL AIRFIELD*Castle Mill Airfield, Bedford*

Pixley, J & Preece, T Bedford : Albion Archaeology, 2002, 73pp, figs, tabs, refs

Work undertaken by: Albion Archaeology

An archaeological evaluation was carried out on the site. Three areas of archaeology were identified. The northern edge contained a Neolithic/Bronze Age barrow Cemetery. The north-west end of the site contained Early/Mid Iron Age occupation and the south-east side Late Iron Age and Romano-British occupation. [Au(abr)]

BEAUFORD FARM, STRATTON***Beauford Farm, Stratton***

Pixley, J Bedford : Albion Archaeology, 2002, 47pp, colour pls, figs, tabs

Work undertaken by: Albion Archaeology

An archaeological evaluation was carried out on the proposed development site. Deep V-shaped Iron Age ditches were uncovered containing domestic debris. These ditches were interpreted as surrounding a possible settlement. In the eastern part of the site medieval ditches were identified containing medieval domestic debris. Post-medieval ditches were also identified. [Au(abr)]
