**THE FORMER GARDENS TO WILTORD HOUSE**

*Archaeological Evaluation of the Former Gardens of Wiltord House, Wiltord*

Mauil, A & Stevens, C Northampton : Northamptonshire Archaeology, 2002, 24pp, colour pls, figs, tabs

*Work undertaken by:* Northamptonshire Archaeology

An archaeological evaluation was carried out on the proposed development site. Garden structures associated with the 19th century walled garden were identified. Iron Age and Roman period features were also identified including a ditch enclosure and field boundaries. [Au(abr)]

*Archaeological periods represented:* IA, PM, RO
