**LAND AT LILAC FARM***An Archaeological Evaluation at Lilac Farm, Mill Lane, Cottesmore, Rutland*

Clarke, S Leicester : University of Leicester Archaeological Services, 2002, 21pp, figs, tabs

*Work undertaken by:* University of Leicester Archaeological Services

The evaluation revealed evidence of Late Saxon and early medieval activity, in the form of ditches, pits and gullies. Linear deposits of limestone pieces suggest the foundations of a large timber framed building. Iron slag deposits were also encountered, suggesting iron smelting activity in the vicinity. [Au(abr)]
