EDMONTON GREEN SHOPPING CENTRE*Edmonton Green Shopping Centre, London, N9. London Borough of Enfield. An Archaeological Evaluation Report (Phase 1)*

Sankey, D London : Museum of London Archaeology Service, 2002, 22pp, figs, tabs, refs

Work undertaken by: Museum of London Archaeology Service

For this phase of work, two trial trenches were excavated. Post-medieval soils were encountered. The extension of market shops to the north will not impact on significant archaeological deposits. However, more evaluation should be conducted to determine the impact of the proposed bus stand. [AIP]
