LAND AT HARROW HOSPITAL, ROXETH HILL, HARROW

An Archaeological Evaluation of Land at Harrow Hospital, Roxeth Hill, Harrow

Darton, L London : CgMs, 2002, 19pp, figs, refs

Work undertaken by: CgMs

Trenches 1 and 2 were excavated in the hospital car park and Trenches 3 and 4 were excavated in grassed areas. Early 20th century land drains were observed in all four trenches. No significant archaeological remains were encountered, with no evidence of certain human activity prior to the 19th century.[Au(abr)] *SMR primary record number:* LAG/15/109

Archaeological periods represented: MO, PM
