Barnes, I Southampton : Southern Archaeological Services, 2002, 16pp, figs, refs

Work undertaken by: Southern Archaeological Services

An archaeological evaluation was carried out on the site, in the area of a known Saxon cemetery. Although no evidence of the cemetery was recovered, part of the site could not be excavated, so the graveyard may still be present. A ditch of Roman date was identified running north-south across the site. [Au(abr)]
