CHOWDER NESS, BARTON UPON HUMBER***A Proposed Managed Realignment Scheme at Chowder Ness, Barton upon Humber***

Bradley, J Kingston upon Hull : Humber Field Archaeology, 2002, 68pp, figs, tabs, refs

Work undertaken by: Humber Field Archaeology

An archaeological evaluation was carried out along the coastline affected by the proposed alignment changes. Fieldwalking along the coast identified wooden structures, connected with 19th century industrial activity. The magnetometer survey identified two undated ditches, which were also picked up by the borehole survey. The boreholes also identified Bronze Age alluvial deposits. [Au(abr)]
