ROBERT DE WAUDARI'S CASTLE

Excavations at Castle Street, Luton: The Site of Robert de Waudari's Castle

Coles, S Reading : Thames Valley Archaeological Services, 2002, 13pp, colour pls, figs

Work undertaken by: Thames Valley Archaeological Services

A small excavation was carried out on the site. A ditch of defensive proportions was identified and was possibly part of the castle. [Au(abr)]

Archaeological periods represented: MD
