HACKNEY EMPIRE THEATRE

Hackney Empire Theatre, Mare Street, London E8. London Borough of Hackney. An Archaeological Watching Brief

Potter, G London : Compass Archaeology, 2002, 81pp, colour pls, figs, tabs, refs

Work undertaken by: Compass Archaeology

The watching brief confirmed that the site area was heavily truncated. A number of brick structures, including wall bases, drains of various sizes, and wells or cess pits survived. There was virtually no evidence for earlier activity or occupation. [Au(abr)]

Archaeological periods represented: MO, PM
