ANCIENT HOUSE, CHURCH LANE, WALTHAMSTOW

GLSMR report only

Densem, R London : Compass Archaeology, 2002,

Work undertaken by: Compass Archaeology

All deposits, with the exception of a post-medieval well, were disturbed and/or redeposited and it is thought that this truncation of potential archaeological deposits took place when the recently demolished factory was built around 70 years ago. [Au(adp)] *SMR primary record number:* 31/130

Archaeological periods represented: PM
