**COURT HOUSE FARM**

*Court House Farm, Pembridge*

Hoverd Hereford : Herefordshire County Council, 2002, 8pp, figs, tabs

*Work undertaken by:* Herefordshire Archaeology

A resistivity survey was carried out on the scheduled moated site. The geophysical survey identified a substantial stone built building within the moat. A further structure was identified outside the moat, this may be connected to the moat and may have served as an outer bailey. [Au(abr)]
