Dear Patient,

The experience of spiritual healing

I am writing to invite you to participate in a study of spiritual healing that I am undertaking for my PhD in collaboration with the Complementary Medicine Research Unit at Southampton University.

Please take time to read the information in the Patient Information Pack carefully and discuss it with others if you wish. If there is anything you do not understand, or if you have any questions, please feel free to contact me, Fiona Barlow. You will find my contact details in the pack.

Thank you for taking the time to read this.
