Corrigendum

**Corrigendum to ‘Plant-Based Meat Analogs and Their Effects on
Cardiometabolic Health: An 8-Week Randomized Controlled Trial
Comparing Plant-Based Meat Analogs With Their Corresponding
Animal-Based Foods’ [Am J of Clin Nutr 119 (2024) 1405-1416]**

The original funding statement was insufficiently elaborated and has been revised for greater clarity: Christiani Jeyakumar Henry reports partial financial support provided by Pinduoduo Incorporated (Hong-Kong Walnut Street Limited) which is an agricultural research firm. No

products evaluated in this study were obtained from Pinduoduo Incorporated. Pinduoduo Incorporated had no role in study design, study conduct, laboratory analyses, data collection, management and interpretation or the writing, reviewing and approval of the manuscript.
