Correction to Cold Water Swimming and Pregnancy: A Scoping Review and Consensus Recommendations

J. Shawe, M. Felton, J. Harper, et al., "Cold Water Swimming and Pregnancy: A Scoping Review and Consensus Recommendations," *Lifestyle Medicine* 6 (2025): e70009, <https://doi.org/10.1002/lim2.70009>.

In the abstract, the article mistakenly states that four studies were identified, however six were identified. The information in the rest of the article and PRISMA diagram are correct.

We apologize for this error.
