

APPENDIX II – SELECT BIBLIOGRAPHY OF STONEHENGE AND ITS LANDSCAPE

INTERNET SITES

www.britarch.ac.uk/stonehenge/index.html [chronological account of 'The Stonehenge Saga' from the early 1960s through to present day, focusing on visitor experiences, plans for changing the visitor centre, and proposals for the upgrading of the A303. Many links to other relevant websites]

www.english-heritage.org.uk/stonehenge [home page for English Heritage's interests in Stonehenge including information about visiting the site, exploring the Stonehenge landscape, the World Heritage Site, the history of Stonehenge, the whereabouts of artefacts found at Stonehenge, and the Stonehenge Project]

www.english-heritage.org.uk/stonehenge/interactivemap/ [an interactive map of the Stonehenge World Heritage Site with virtual tours including views and video clips of selected sites]

<http://homepages.tcp.co.uk/~ait/masterplan.html> [details of the Master Plan for Stonehenge launched in April 1999. The Plan deals with the relocation of the visitor centre and the upgrading of the A303]

www.thestonehengeproject.org [overview and latest news on the implementation of the Stonehenge Master Plan through the execution of what has become known as the Stonehenge Project. Links to many facets of the broader project]

www.nationaltrust.org.uk/main/news/stonehenge.html [home page for the National Trust's interests in Stonehenge, including its responsibilities for the Stonehenge Estate and its participation in the Stonehenge Project]

www.wessexarch.co.uk/projects/wiltshire/boscombe/bowmen/index/html [information about the discovery and study of the multiple Beaker burial at Boscombe]

www.wessexarch.co.uk/projects/amesbury/archer.html [information about the discovery and study of the richly furnished Beaker grave found near Amesbury]

<http://apollo5.bournemouth.ac.uk/stonehenge> [background to the development of the Stonehenge World Heritage Site Research Framework and early consultation drafts]

www.planning-inspectorate.gov.uk/stonehenge [information about the A303 Stonehenge improvement scheme, copies of the published orders, and details of the Public Inquiry held in the spring of 2004. Inspector's report published September 2004]

www.stonehengelaserscan.org [information and images of the laser-scans made of the surfaces of selected stone at Stonehenge in order to help identify and study the rock art at the site]

www.great-britain.co.uk/regions/southern-england/stonehen.html [selection of pictures of Stonehenge]

www.arch-ant.bham.ac.uk/research/computing/shbarrows/ [information about the Stonehenge Barrows Project with interactive samples]

http://ads.ahds.ac.uk/catalogue/projArch/pigs_durham_2004 [a database of metrical data for a large sample of well-preserved pig bones (including teeth) from the late Neolithic site of Durrington Walls]

www.shef.ac.uk/archaeology/research/stonehenge/index.html [information about the Stonehenge Riverside Project: new approaches to Durrington Walls]
